

Initial Notification Form for Acquired Immunodeficiency Syndrome (AIDS)

Instructions to notifiers:

This is a Schedule 1, Section C disease notifiable to the Medical Officer of Health under Sections 74 and 74AA of the Health Act 1956 using non-identifiable data. This is a legal requirement that involves two steps:

1 Completion of this Initial Notification Form

- a) Please email this completed form to your local Medical Officer of Health/Public Health Unit who will enter the information into the national notifiable diseases database (EpiSurv)
- b) File a copy of this notification form in the patient's case notes

2 Completion of a web-based Case Report Form

You will be sent a secure link by the AIDS Epidemiology Group (AEG) to a web-based notification form with more detailed questions. If you have not received the link within 2 weeks of sending the Initial Notification Form, please contact the AEG at aidsepigroup@otago.ac.nz or phone 03 479 7220
